Dear Sir,

Gen 12-23-1.

The Govt. propose opening a Press Room at Mysore on lines similar to the one in the Public Offices, Bangalore, but on a smaller scale. The room at Bangalore (which is 25 feet by 15 $\frac{2}{3}$ feet) is fitted up with necessary reference books and suitable furniture for Press representatives and all important Government Orders of public interest along with weekly press notes are placed on the Press table in accordance with G.O. No. O. 3071-9 of the 26th June 1922. I am desired to request you to favour Govt with your suggestions as to whether the Press Room at Mysore may be accommodated in the Rangacharlu Memorial Hall. I am also to enquire whether you can place an Officer of your department in charge of the Press room and whether a literate peon or mutchi of your office (with a small allowance from the Govt funds) could be deputed for duty at the Press room and to look after the furniture, books and papers placed in it.

Yours sincerely,

Chief Secretary,

Mysore,
15th August 1923.

Dear Sir,

With reference to your D.O. enquiring if a Press Room can be opened in the Rangacharlu Memorial Hall at Mysore, I am sorry to say that there is not even a single room or any space wherein it can be located at present. But, I am arranging to shift the Trust Board Office to a small block in the New Municipal Office Building which I am trying my best to get ready as quickly as possible which may be in another 2 or 3 months time. When it is so shifted, about October or thereabouts, it would be possible to spare a small room for the Press Office in the Rangacharlu Memorial Hall.

2. As regards the Officer to be in charge of the Press Room, the Chief Officer can be requested to do so.

3. A literate peon with a small allowance as suggested may also be spared to look after the furniture, books and papers etc.

Yours sincerely,

A. Kantaraja
